MEASURE Pool size:
length (B) x width (A)

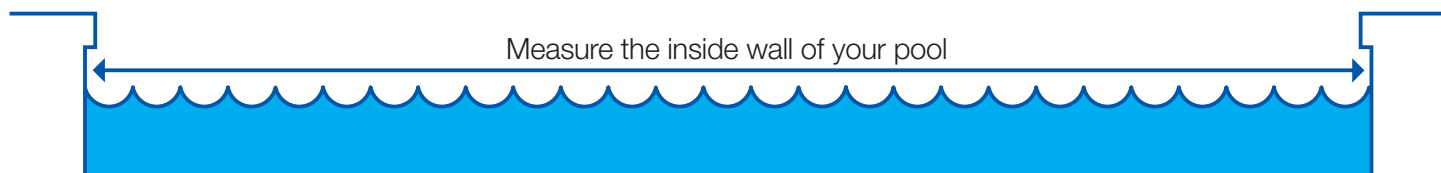

POOL MEASUREMENTS

Pool length _____ x Pool width _____

When measuring the size of your pool, ensure all measurements are taken from the waterline.
Simply decide on the essential details:

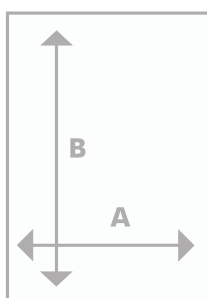

1. Start by measuring and recording the length at the longest point of your pool
2. Now measure and record the width at the widest point of the pool

This will give you the overall measurements of your pool.

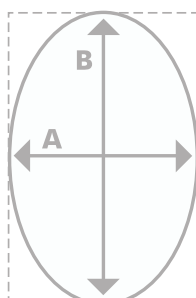

For shaped pools. treat as rectangular
